# SERVICE PORTFOLIO

## ISO TANK LOGISTICS WORLDWIDE

Tranceglobal Logistics Pte Ltd. offers comprehensive ISO tank logistics services worldwide through our own fleet of brand-new tanks and an extensive regional network. We specialize in handling large volumes of liquid chemicals and pharmaceuticals across various regions, including South East Asia, East Asia, South Asia, the Middle East, Europe, North America, South America, Oceania, and Africa. Our extensive network and expertise ensure efficient, reliable, and safe transportation of bulk liquids globally, meeting the specific needs of our clients in the chemical and pharmaceutical industries.

## DOMESTIC LEASING & TRANSPORTATION

Tranceglobal Logistics Pte Ltd. offers comprehensive ISO tank Domestic Leasing & Transportation services through our Corporate Office in India, utilizing our fleet of brand-new tanks and a well-established regional network. We specialize in handling large volumes of liquid chemicals and pharmaceuticals, ensuring efficient, reliable, and safe transportation. Our expertise in handling hazardous & non hazardous cargoes and commitment to excellence make us a trusted partner for clients in the chemical and pharmaceutical industries, meeting their specific needs with tailored solutions.

## DOOR DELIVERY SERVICES

Tranceglobal Logistics Pte Ltd. is a specialized logistics company focusing on the transportation of liquid chemical cargo and pharmaceuticals. We pride ourselves on offering comprehensive door delivery services through our own fleet and transportation network. Our tailored solutions are designed to meet the specific needs of chemical manufacturing companies and those requiring the transport of bulk chemicals.

## CFS & DEPOT SERVICES

At Tranceglobal Logistics Pte Ltd. we take pride in our own Group Company's CFS (Container Freight Stations) and depots, enabling us to provide comprehensive services to our customers at highly competitive rates. Our integrated offerings span the entire logistics spectrum, from transportation and EXIM (Export-Import) services to ISO tank cleaning and repair services. This all-encompassing approach ensures that our clients receive seamless, efficient, and cost-effective solutions tailored to their specific needs.

# SPECIAL FEATURES

## COMPETITIVE TARIFF

Tranceglobal Logistics Pte Ltd. offers the most competitive tariff in the industry, thanks to our new fleet, extensive network, and strategic collaborations. Our efficient operations and economies of scale enable us to provide high-quality logistics services at cost-effective rates. By leveraging our advanced infrastructure and strong partnerships, we ensure that our clients receive exceptional value without compromising on service quality.

## LARGER REGIONAL NETWORK

Tranceglobal Logistics Pte Ltd. boasts a vast network of regional partners worldwide, enhancing our ability to provide superior logistics and services. Our expansive reach includes key regions such as South East Asia, East Asia, South Asia, the Middle East, Europe, North America, South America, Oceania, and Africa. This extensive network allows us to offer efficient, reliable, and timely logistics solutions tailored to the unique needs of each market. Our global presence and strong local partnerships ensure that we deliver exceptional service and support to our clients, no matter where they are located.

## NEW FLEET/INVENTORY

At Tranceglobal Logistics Pte Ltd. our major fleet comprises state of-the-art T11 and T11 baffle ISO tanks strategically deployed worldwide. These modern and versatile 25 & 26 KL tanks are designed to carry and handle a wide range of liquid chemicals and pharmaceuticals, ensuring safe and efficient transportation. Our investment in a new fleet underscores our commitment to providing reliable and high-quality logistics solutions, meeting the diverse needs of our global clientele with advanced equipment and superior service standards.

## EXPERT TEAM

Tranceglobal Logistics Pte Ltd. is powered by a team of seasoned professionals with extensive experience in the logistics and transportation industry. Our core team brings together a wealth of knowledge and expertise, collectively spanning over 100 years. Each member is dedicated to upholding the highest standards of service, ethics, and customer satisfaction. Our experts are proficient in handling complex logistics challenges, ensuring seamless and efficient operations. Their commitment to innovation, integrity, and excellence drives our success and helps us consistently exceed our clients' expectations.
